

MICHAEL REAGAN

Tournament Host

Michael Reagan, eldest son of former President Ronald Reagan, renowned author, one of the most dynamic public speakers and President of The Reagan Legacy Foundation. We are proud to have him as our host for City Impact's First Responders Annual Golf Classic.

Our mission is to promote the educational, physical and emotional well-being of at-risk children, youth and families throughout Ventura County.

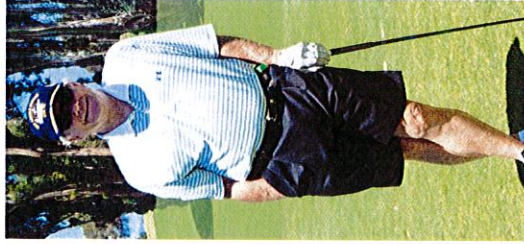

City Impact accomplishes this through a myriad of prevention and early intervention programs led by our licensed therapists and program directors.

We seek to be a pivotal agent in integrating different people groups into the reconciliation and empowerment of youth and the development of our future leaders.
